DESCRIPTION:

Introducing Feniex Q® Link, the innovative serial device to connect all of your Q® Series lightheads. Specially engineered for use with Feniex's state-of-the-art serial technology, connect up to 48 lightheads using only one Q Link device. Our Q Link device uses Q Serial Zoning Technology to make programming your build easier than ever before. No need to tap mode wires, simply connect your Q Series lightheads to your Q Link device using the 2 serial wires and the Q Link Software.

- Zoning magnet included
- Includes 8 serial ports
- Each serial port supports up to 6 Q Serial lightheads
- Syncs up to 48 lightheads using one Q Link device
- Computer programmable with Q Link Software
