DESCRIPTION:

Introducing the Feniex Q-Dual Surface Mount (3-Mode), the first 5-color, smart perimeter light, with two modules on a Double Bezel for twice the brightness. Engineered with precision and innovation, this cutting-edge surface mount light offers a spectrum of colors including blue, red, amber, white, and green, empowering you to command attention and enhance safety in any situation. The Feniex Q[®] Series is built with state-of-the-art smart modules compatible with any 12V switch or controller, syncs with all Feniex smart modules using 3-mode technology, and boasts bright 60-degree optics for exceptional visibility.

- Blue, Red, Amber, White, and Green colors in each module
- Hardwire installation syncs with all Quad, Lux, and Q Series products
- Available functions include Flood, Cruise, and Stop Tail Turn and more
- Color-lock mode available during installation
