DESCRIPTION:

Introducing the Feniex Q-Flat-Wide Surface Mount (Serial), the first 5-color, serial perimeter light with two low-profile lightheads stacked horizontally for twice the brightness. Engineered for a stream-lined, sleek exterior, this cutting-edge surface mount light offers a spectrum of colors including Blue, Red, Amber, White, and Green, empowering you to command attention and enhance safety in any situation. The Feniex Q® Series lightheads are built with state-of-the-art serial technology that connects using 2 serial wires to the Q® Link device.

- Blue, Red, Amber, White, and Green colors in each module
- Syncs with up to 48 lightheads using one Q Link
- Computer programmable with Q Link Software
- 27 programmable inputs with the Q Link (sold separately)
- Available functions include Flood, Cruise, and Stop Tail Turn and more

Surface Mount Wire Harness
